Dear:

I'm writing to share exciting news about the New York State Independent Living Council (NYSILC) and ask for your help in building a Hall of Fame to honor those who've made a lifelong positive impact on people with disabilities in New York State.

NYSILC's mission is to promote independent living for people with disabilities across New York. As part of that mission, we've created the NYS Disability Rights Hall of Fame and will be inducting up to five awardees at an inaugural awards ceremony and dinner held at the Troy Hilton Garden Inn on Thursday, April 26, 2018 from 5:30-8:30pm.

I'm inviting you to support the Hall of Fame as a sponsor or an advertiser in the event program. We expect more than 100 attendees, nearly all of whom have disabilities or work in the disability sector.

All contributions will help sustain future Hall of Fame award events and promote consumer control, self-help, equal access, and individual/systems advocacy to maximize the leadership, empowerment, productivity, and full inclusion of individuals with disabilities into the mainstream of American society.

For more information regarding the NYSILC Hall of Fame, please visit nysilc.org (from the Programs tab, drop down to Hall of Fame). Included with this letter is a packet detailing options and benefits for sponsoring the event and/or advertising in the program. If you have questions, please don't hesitate to email me at awink@nysilc.org or call (518) 427-1060.

Thank you for your kind consideration in becoming an essential part of our 1st Annual NYS Disability Rights Hall of Fame Awards Ceremony and Dinner!

Gratefully,

NYSILC Council Member
