

List of places Amy Wink is approaching to sponsor, advertise, or donate for the Hall of Fame

If any of you know the business personally and would like to help us ask them, please tell me and I'll take it off my list. Similarly, if you see a place on my list I should NOT ask for one reason or another, please let me know. (I'm building the databases now so that come January, I'll have the letters all addressed and ready to send).
